

Want to be a Shinerama Coordinator?

The main role of the Shinerama Coordinators is to organize the School's Annual Shine Day, which is a major fundraiser for Cystic Fibrosis research in Canada!

As a coordinator, you get the opportunity to travel to Ontario for the National Shinerama Leadership Conference where you get to meet and make contacts with students from other Colleges and Universities across the Canada. You will learn about Cystic Fibrosis and how to organize and successfully run the Shinerama Campaign.

We may be one of the smallest campaigns in the country but with only 82 students we managed to raise over \$20,000 last year!

As a Shinerama Coordinator for your class, you will get the opportunity to experience how to coordinate Shine Day 2019 and other fun secondary fundraising events which take place throughout the fall.

Once our positions are handed over to you in January of 2020, it will be up to you to plan your own campaign for the upcoming year. And of course, we will be there to support you along the way, as will regional and national campaign advisors. If you have any questions please feel free to contact us!
