

## Orientation to the M.P.T. Student Policies

It is important for M.P.T. students to understand the policies, procedures and guidelines that apply to them or their academic program.

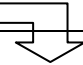

We recognize this is a lot of information to absorb, and encourage you to refer back to these throughout the program as issues arise. Please use this checklist to work through the content that is on the website to familiarize yourself with the content and where it is located prior to Orientation Day. Prior to Orientation, you will receive an e-mail message assigning you one to two policies you will be responsible to present and facilitate discussion in a small group. Please also come prepared on August 12th ready to discuss any of the following guidelines and/or policies.

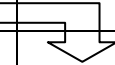

The School's main webpage is at [medicine.usask.ca/srs](http://medicine.usask.ca/srs). This page contains some general information, news and contact information. The Policies, Guidelines and Forms link on the left navigation will take you to the MPT Policies. You are also able to access the policies from the "Current Students" drop down menu at the top of the School's webpage. See the screen shot below. There is other useful MPT student information under this tab like the timetables and exam schedules.

Please submit the completed checklist prior to Orientation Day to:  
[pt.admissiondocuments@usask.ca](mailto:pt.admissiondocuments@usask.ca)
